

Medication: Filling a Prescription

Steps to Filling a Prescription

*In the Doctor's Office:
TALK to your doctor
about the medication.*

Steps to Filling a Prescription

In Person at the pharmacy:

Give the prescription paper to the pharmacist and wait for your medication.

Steps to Filling a Prescription

Wellness

By Phone:

Call in for a refill.

*Voice prompts lead
you through the steps.*

Steps to Filling a Prescription

Online:

*Order through the
pharmacy website.
First, you need to
create an account.*

Steps to Filling a Prescription

By Mail:

For larger orders, it takes up to 2 weeks to arrive. It may be less expensive to order by mail, but you can't ask questions!

Steps to Filling a Prescription

Do you have insurance?

Do you have an insurance card?

Always let the pharmacist know!

Steps to Filling a Prescription

Any questions about your medication?

When to take?

Side effects?

Food restrictions?

Steps to Filling a Prescription

*Don't run out!
Always order when
your medication gets
low NOT when it is
gone!*
